✓ 3. [REDACTED] LIAISON Saw Thomas K. Latimer, Staff Director, House Permanent Select Committee on Intelligence, and discussed the following matters with him: (1) Told him that Representative Robert McClory (R., Ill.) had expressed interest in the burden that FOIA has become for the Agency. I said that I planned to make available a copy of the substance of the letter that Mr. Jack Blake, DDA, had written to Representative Bill D. Burlison (D., Mo.) on the same subject but wanted to alert Mr. Latimer first. He said that this was fine with him and that FOIA was a continuing concern of Mr. McClory's. (2) Delivered the letter from the DCI to Chairman Edward P. Boland (D., Mass.) conveying an intelligence report on [REDACTED] plans on dealing with continuing pressures from the U.S. and asked that the Committee show the intelligence report to Chairman John J. Flynt, Jr. (D., Ga.), Committee on Standards of Official Conduct. (3) Mr. Latimer asked when we were going to brief the Committee on liaison agreements. After questioning, he refined the requirement to be "written agreements that are essentially government to government agreements but which were not reported under the Case Act to the Congress." I said that I would look into it. And (4) I showed Mr. Latimer a copy of the "revised" NID for 19 May and explained that the revisions were not substantive--rather that they had been made to protect the source. I added that the original NID had been simply too revelatory and that the originators of the intelligence had insisted that the article be changed to protect their source. Mr. Latimer agreed to take a look at the article, based on his reaction, he might or might not show it to Representative Romano L. Mazzoli (D., Ky.).

4. [REDACTED] EMPLOYMENT REQUEST Received a call from Jackie, in the office of Representative Paul S. Tribble (R., Va.), requesting that a professional and clerical employment package be sent directly to the Congressman's constituent, [REDACTED] OP was advised.

5. [REDACTED] LIAISON Phoned Jean Evans, Senate Select Committee on Intelligence staff, to inform him of the fact of the IOB investigation of the Nicholas Shadrin case was not classified and that Members of Congress were free to mention this in replying to constituents.
